

Elaine Mazurek – Senior Facilitator & Consultant

Location: Calgary

Elaine Mazurek is a professional Learning and Development expert, who possesses comprehensive skills in training, leadership development and human resources environments. Elaine's background also includes more than two decades as a Manager/District Manager and Human Resources Manager, demonstrating her great strength in leadership roles. Becoming an effective leader was a vital part of her career path, as she now focuses on training in leadership development and technology.

Elaine's passion for training performance improvements, began with technical training, but as her own leadership skills developed, her training, coaching and mentoring in this area also improved greatly. She has exceptional facilitation skills and enjoys working one-on-one with her learners or with large, diverse groups of learners. Elaine has experience delivering to small businesses, large corporations in addition to educational environments. Elaine also has very strong, interpersonal communication abilities and enjoys team-building and project management. With her business background in sales, she also enjoys organizational assessments and developing learning portfolios.

Elaine is a member of the Canadian Society for Training and Development, (CSTD) and is passionate about life-long learning. Elaine is a graduate of the University of Calgary's Certificate in Adult Learning with a Workplace Learning Specialization and the Adult Education program at Mount Royal University. Elaine is also passionate about computers and technology, having graduated with a Multimedia Communication and Design diploma.

Elaine is a confident facilitator and is truly passionate about knowledge sharing. She communicates well, articulates the vision and understands how to challenge her team to reach higher goals. Elaine is committed to delivering training programs that elevate individual and organizational performance levels and successes. While Elaine understands the reciprocal learning from each experience, she also understands the encouragement of the heart and the passion of learning.
